## *All about Your Birth Card*

*Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.*

The Ten of Diamonds Person

The Blessed Card

This card sits in the very center of the Grand Spread of cards, protected on all sides by Jupiter's blessings. It is THE card of material opulence though few of them actually achieve this reality. However, all of them are protected financially and will always have a certain amount of good luck. To achieve their highest potential, they need to be involved in a business, preferably their own. They have the know how to manage and run a business of any size. Many of them inherit or marry into wealth.

With so many blessings, you might expect them to be generous souls, but that is not always the case. Many of them simply direct these blessings to the acquisition of more money and some of them even become ruthless in this regard. Others, however, pay heed to their Queen of Clubs Karma Card, the card of intuition and service through knowledge, and devote their talents and resources to helping the world. All tens are in danger of becoming overly fixated on 'accumulation' of things related to their suit. For the Ten of Diamonds, this would manifest as a money fixation. Some Ten of Diamonds can be very selfish.

With their creativity and intelligence, they are always successful in whatever they undertake. Usually this power is directed towards business and gain and there is no size of business or financial enterprise that they cannot handle. If they develop their spiritual awareness, their later years will be filled with expansion of their mind and soul instead of doubt and indecision. Many find an artistic avenue of expression in their later years, which brings many rewards.

Some of the Ten of Diamond Issues Concerning Relationships

Ten of Diamonds have a strong desire for love and relationships and also some karma from past lives that must be discharged through one or more difficult divorces or separations. They bring into this life some karma of having been the one who left another unfairly and unlovingly. In this life, they are likely to receive the same treatment from another, often the same person they were with before.

They want love and are usually the one who initiates new relationships. It is their own emotionally restless nature that must be dealt with before they can have a successful marriage. They often find themselves in situations where they must sacrifice their own need for affection for higher reasons or to help others in need. They are learning to love themselves and the child within. Finding that relationship within brings them more fortune in other relationships as well.

The female Ten of Diamonds should not let relationships come before her work and career, except in few cases where there is great compatibility. There always seems to be great burdens associated with romance and marriage.

## *All about Your Planetary Ruling Card*

*The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.*

### Five of Hearts as Your Planetary Ruler

Regardless of what your Birth Card is, you are a restless person who is seeking to learn about love through direct experience. For this reason, you may have many relationships over the span of your life. You may also seem to avoid commitments on an emotional level, as these may hamper your ability to get all of the experiences that you desire. Freedom is a very important word in your vocabulary. However, you may even get married, though few with this card do. If so, you are doing it for what you can learn from the experience more than anything else. You probably love to travel and have gravitated towards things and occupations that allow you the freedom to do so. You have some common sense about money and organizational ability that help you keep an ample supply of money on hand at all times. But essentially, you are a free spirit who loves to meet new people and have new experiences.

### Your Thirteen-Year Eight of Spades Period

This is likely to be a period of great success for you, overall. This success will come through hard work, determination and the power of your mind. The Eight of Spades is the most powerful card of physical and will power. When this card is present, you will find yourself experiencing more power over your health and work matters. Success is indicated by this card, along with the ability to overcome any obstacles that may appear in your way. Power comes from a focusing of our will, a narrowing down of the areas of our interest. Because of this, we often lose focus in less important areas while we gather force in one. This is how the process of power is achieved - by harnessing force from many areas to divert to one.

In this way you are bound to focus your will and achieve great things. At the same time, the underlying King of Clubs promises success in a leadership role in regards to some area of information. You could become an author, for example, a teacher, or a manager of others. But it will be with information that you take that leadership position. You may also have a significant relationship with a King of Clubs person or some man of the Clubs suit who is both successful and powerful.

Health, work, and legal matters should go your way during this period. Enjoy your successes now and take your full portion of it.

### The Basic Meaning of the Ace of Hearts

The Ace of Hearts represents a desire for affection or love that is the stimulus that causes new relationships to be created. For this reason, it can indicate a new love affair or the birth of a child. Though influenced by each planetary period in a specific and unique way, this creative love energy always represents an awakening of love or passion in one's heart.

On a deeper level, the Ace of Hearts, being the very first card in the deck, represents a search for something inside of our self. Perhaps it is the search for self-identity or for those things that help us to love who we are unconditionally. In order to love ourselves, we often find someone to love who reflects back to us what we are seeking within. This is why the Ace of Hearts can represent a new relationship beginning.

Mars Period is from

The Mars 13-Year period begins at Age 26 and ends when we turn 39 and enter our Jupiter period. It is during this period that our passions are expressed, when most of us begin working in life in a real sense, and when most of us work off a great deal of our past-life karma. Whatever really turns us on in life is explored during this period and the cards here will describe something about that, or how its expression is responded to by those around us.

Our Mars Cards indicate what turns us on and what irritates us. Thus the Mars period can have a lot to do with passion and competition. Most competitive sports figures make their mark during this period of life. Each of us will make our mark as well, exerting the power of our Mars card for better or worse. Since Mars governs sex this is a period when many will have children as a result of their passionate expression.

The Mars period is usually associated with work. In this case it represents putting our Mars energy to work. Your Mars cards may describe your approach to work or even what kinds of work you do at this time. The Mars period is one in which we try different kinds of work to see which fits us best. It is preparation for the coming Jupiter period, when our efforts are more financially rewarded.

### The Basic Meaning of the Ace of Diamonds

The Ace of Diamonds means the desire for money or the birth of a new way of earning money. All Aces represent new beginnings, a desire for something that starts a new cycle of creating. Aces are the representatives of pure creative energy.

Diamonds represent our value systems, the things that we like or dislike, treasure or discard. So, the Ace of Diamonds means that we experience the birth of a new value or that we suddenly like or want something that we didn't before.

Because diamonds are commonly associated with money and our work, the Ace of Diamonds can mean the beginning of a new financial enterprise or the desire to obtain money for a specific purpose.

It is important in the Jupiter cycle of life that we open ourselves to the abundance of this world and let go of our struggling. For many, the Critical Year which ends our Jupiter period is the last opportunity to embrace a happy and prosperous life.*

This period of your life is likely going to be overshadowed by a particular woman in your life. She could be a mother, wife, friend or relative. She is likely to be wealthy or at least appear wealthy. But she will also be powerful and maybe dominating. For you, she will leave a lasting impression.

If you are old enough when you start this period, this card can also indicate your having a business of your own, especially if you are a female, since the Queen of Diamonds is the archetype of the business woman. But even if you are a male, this card could mean involvement in business, but in more of a service capacity, since Queens are service oriented.

Its Underlying Card

The Queen of Diamonds represents a woman who often likes to live and act extravagantly and who often spends beyond her means. Therefore you may also be somewhat extravagant with your money at this time. The underlying Three of Diamonds says that you should watch this tendency or else you will end up being very afraid of not having enough money. On the positive side, your creative mind is working very well now, especially in coming up with new ideas and plans to make money. If you stay creatively occupied you can minimize the negative effects of worry and indecision.

The Saturn period of life begins with the important age 52, Critical Year. If we have embraced the abundance of our Jupiter cycle, there is no reason to expect Saturn to be anything but more success. Many who have had career ambitions throughout their life will realize their dreams and be recognized for their contributions during this time. Saturn governs the highest house in the zodiac and thus can bestow recognition and reward upon us. Your Saturn card may describe just what you are 'known as' as you complete your life's work. This is not to say that all complete their life's work in Saturn. But it is common for people to move on from a working life to one of other pursuits during this cycle.

Saturn is the great teacher and the Lord of Karma. But usually by our Saturn period of life we have learned his lessons and are ready for his rewards. These consist of ease of life and the wisdom to sustain it on a daily basis. However, it is usually during our Saturn period that health matters assume more prominence for us. Thus, in Saturn, we must continue with his disciplines, but now those disciplines will be more directed towards keeping healthy as our bodies decline.

However, it may be a tumultuous time where you seem very unstable and not able to find something that satisfies you completely.

On a more positive note, the underlying 4 of Diamonds says that your finances will be protected during this period in spite of other changes that may occur.

Uranus and Neptune are the spiritual periods of our life. The dates for their beginning and ending vary quite a bit and depend upon factors such as how long we live and the quality of the life we have lead up to their beginning. This will be a time in your life where your creativity will come into focus and be expressed in a variety of ways. Whether young or old, your ideas will be good ones and you may find yourself getting involved in various forms of mental expression. This could be writing books, stories, articles, poetry, music or something such as public speaking. In any event the desire to express yourself will be very strong and you will need an outlet for this that is productive. You could even become very successful pursuing one of these avenues.

At the same time, this card represents mental indecision and uncertainty. You may find that your mind is just too much sometimes and that you become so restless mentally that it upsets your peace of mind. Fears come from an agitated mind so if you find yourself being more fearful during this time, try to do things that would calm your mind such as exercise, yoga, meditation, etc. But finding a positive outlet for creative expression is the best remedy of all. If you are productively involved in some creative expression that involves the great ideas you are having now, you will find that your indecision and worry are reduced to very manageable levels.

Financially things should run smoothly during this time. This mission will entail bringing others to a higher sense of values.

Overall this should be an exciting period with lots of new experiences along with a lot of joy in expression of your natural creativity.

Also, this report checks for Auspicious Events for only your Birth Card and Planetary Ruling Card, if you have one. It does not check for auspicious events in your Personality Cards or any other personal signifiers as these have not been found to be consistently significant or accurate.

Some Auspicious Events occur for everyone at the same age of life. These include such events as the Prebirth and Rebirth years and the Critical Year. ## Auspicious Events Occuring at Age 65

Each year most people's Birth and Planetary Ruling Cards move to a different location in what we call the Grand Solar Spread (pictured below). Each position has a unique significance and is described in the section about the Displacement Card. However, some of these positions are more significant and represent times in life when special events will occur. This section of your report will define what, if any, of these auspicious events will occur for you this year. The text given further emphasizes their unique importance in the overall fabric of your cards for this time of your life.

You have the King of Spades as your Long Range Card this Year

This can be an especially powerful and successful year for you. Because you have a King of Spades Long Range in your Planetary Ruling Card spread, there is little you cannot accomplish. The King of Spades is the most powerful card in the deck when it comes to material and work accomplishment. However, it only benefits those who are willing to take on a role as a leader in their chosen field. It usually implies leadership in some form anyhow, but this can be a special opportunity for you to realize some of your dearest and highest goals. If you are willing to sit down and create a plan for your success or accomplishment, there is little that could prevent you from reaching your goals. Everything will seem to go your way and you will succeed where others have failed. In most areas of competition you will come out the winner. The list of benefits goes on and on and this could be a year you will never forget for all of the success it will bring. But do keep in mind that these benefits are only available to those who are willing to become a King, which implies being the one who is responsible and willing to direct their own destinies as well as those around them. This opportunity comes rarely in life. Some cards will never have the King of Spades Long Range, while others may only have it once at most. Maximize this special influence while it lasts.

THE LIFE SPREAD

This is a Major Completion Year for You

Because you have a Nine card in a prominent position this year (Long Range, Pluto, Result, Environment, or Displacement), we know that this will be a year in which you achieve an important ending in your life. This Nine may occur in either your Birth Card or Planetary Ruling Card Spread. Endings can be seen as disappointments if we disregard their true meaning. In truth they represent graduations from chapters of our life that were important, but are now no longer helpful for our personal growth and development. What is also beautiful about endings is the wonderful freedom we feel after we have passed through it and are on to our next stage of work and development.

Whatever the nature of the endings in your life this year, be glad that you have reached the point in your development that you are ready to move on to better things and relationships. We are often afraid to let go of things that have become so familiar to us. Sometimes we are not even able to see that these things are no longer of any real use to us. Rest assured that this is the case for you. You are ready to move on and by this time next year, you will be in an entirely new and better place for your personal and professional development and expansion.

If you have more than one occurrence of a Nine in these prominent

*Auspicious Events Occuring at Age 65* (continued...)

positions, the significance of this completion year becomes even greater and the stronger the likelihood that many areas of your life are coming to an end in preparation for a new phase of development.

Study whatever Nines you may find in your Yearly Spreads carefully. Each one will reveal the specific areas that you may be encountering some important completions.
